

MAY 5TH & 6TH, 2025 SCIENCE ADVISORY PANEL

ASSESSING THE INVASIVENESS OF SPECIES

MISSOULA COUNTY DEPT. OF
ECOLOGY AND EXTENSION
1075 SOUTH AVE W
MISSOULA, MT 59801

About Our Event!

Join us as expert panelists review existing risk models to identify steps Montana can take to assess the potential invasiveness and impact of species on the state's economy, environment, and culture - now and in the future.
