

Montana Code Annotated 2021

TITLE 80. AGRICULTURE

CHAPTER 7. DISEASE, PEST, AND WEED CONTROL

Part 12. Invasive Species Council

Invasive Species Council -- Purpose

80-7-1201. Invasive species council -- purpose. The purpose of the invasive species council is to advise the governor on a science-based, comprehensive program to identify, prevent, eliminate, reduce, and mitigate invasive species in Montana and to coordinate with public and private partners to develop and implement statewide invasive species strategic plans.

History: En. Sec. 4(1), Ch. 348, L. 2017.
